

**IF I AM GOING TO PROCEED INTO MEDICINE
WHEN I GROW OLDER, I WILL NEED TO
FIGURE OUT WHERE BABIES COME FROM...**

DON'T LOOK AT ME. I'M NOT EVEN SURE WHERE VEGETABLES COME FROM!

I WONDER HOW ONE WOULD FIND OUT.

I BELIEVE THOROUGH RESEARCH IN THE SCHOOL LIBRARY, UNDER THE BIOLOGY SECTION, WOULD YIELD FRESH FACTS TO FORM A WORKING HYPOTHESIS.

*SURELY, THERE MUST BE A SIMPLER
WAY. THAT LIBRARY SPOOKS ME.*

*OH, I KNOW. WHAT DOES
