

BAKER STREET ELEMENTARY  
NUMBER 116 – 07-02-2017

FAY, MASON, & MASON

*CORRIDORS OF UNCERTAINTY*  
*"it was all trodden into mire" [GOLD]*

*While the games and rules of play may vary from continent to continent, sport is prevalent throughout the world, and has been for millennia.*

*In fact, your editor can recall a course in his days as a classics major: Sport in the Ancient World.*

*But cricket itself is one of the more complex and nuanced games.*

*And while sport contains legions of admirers and fans worldwide, the game of making puns is another thing entirely...*

ALL THIS RAIN HAS  
MADE A MESS OF THE  
PITCH, NOT TO MENTION  
OUR RECESS FIELDS.

IT RESEMBLES A  
BOG, OR SWAMP, AS  
THEY REFER TO IT  
IN THE STATES...

BY THE WAY, I WON  
MY CHESS MATCH  
TODAY... THAT MAKES  
67 IN A ROW...

THE CHESS CLUB  
CAPTAIN SAYS I AM  
HIS MOST PROMISING  
PROSPECT.

*I AM AFRAID YOU MUST MOVE ON...*

*WHY LESTRADE, IS THIS  
MUCK A SAFETY HAZARD?*

**NO, BUT AT THIS SCHOOL WE DO NOT ALLOW  
CHESS NUTS BOASTING ON AN OPEN MIRE...**

*I HEAR CRICKETS...*

*I'M MOVING SCHOOLS...*
