

TODAY FOR 'SHOW AND TELL' I BROUGHT
A TINY MARVEL OF OUR ENVIRONMENT...

ONE SMALL,
MINISCULE,
INDIVIDUAL
SNOWFLAKE... OUTSIDE
IT WAS UNIQUE, ONE
OF A KIND, A TRUE
DISTINCTIVE
ELEMENT OF NATURE...

**BUT ONCE IN THE CLASSROOM, IT
BECOMES JUST ANOTHER BORING DROP
OF WATER, NO CREATIVITY, WITH NO
PERSONALITY OF ITS OWN...**

I HOPE THIS
SUBTLE ANALOGY
IS NOT LOST ON
THE REST OF
YOU...

ONCE AGAIN, PLEASE
PASS ON MY SYMPATHIES
TO THE HEADMASTER'S
OFFICE...
