

**MY BIOLOGY CLASS WAS DEPRESSING TODAY...
WE DISCUSSED HEREDITY...**

**DO YOU THINK WE INHERIT TRAITS FROM
OUR PARENTS AND ANCESTORS ?**

**THAT'S WHAT
DEPRESSES ME !**

OH - I DON'T KNOW...
BOTH MY PARENTS
WERE SINGERS AND I
HOPE I HAVE THEIR
VOICES IN ME...

YOU SING VERY
WELL IRENE... I
WOULD SAY THE
TRADITION
CONTINUES...

THANKS SO
MUCH
IGNATIUS...

MY FAMILY HAS A LINE
OF ILLUSTRATORS, BUT
I HOPE I CARRY ON MY
MOM'S STORY-TELLING
SKILLS.

**WE HAVE ARTISTS IN MY
FAMILY, GOING BACK TO
VERNET...**

**I BELIEVE THAT ART IS IN THE BLOOD, BUT
THAT IT MAY TAKE THE STRANGEST FORMS...**

SO IF MY PARENTS ARE SO SMART, HOW DO YOU EXPLAIN MY GRADES ?

**SOMETIMES TRAITS MAY SKIP A
GENERATION... YOUR CHILDREN
WILL PROBABLY BE BRILLIANT !**

**MAYBE I SHOULD JUST TELL MY PARENTS I AM
WORKING WITH WHAT THEY GAVE ME...**
