

**OW ! OW !
OUCH ! OUCH !**

WHAT IS WRONG WITH OUR STAMFORD ?

HE RECEIVED HIS BOOSTER
SHOT TODAY FOR 'CUDIERS'...
IT WAS ADMINISTERED ON
THE PLAYGROUND...

**THERE IS NO DEFINITIVE TEST FOR 'CUDIES',
SO IT IS BETTER 'SAFE' THAN 'SORRY'**

**YOU GUYS ARE SO
RIDICULOUS...**

**THE MAIN SYMPTOM OF THE ILLNESS IS
'SKEPTICISM'. YOU CAN ALWAYS SPOT A
'CARRIER' FROM THAT, LIKE YOU...**

'CUDIES' AREN'T REAL !!!!

**MY DIAGNOSIS
IS CONFIRMED.**

**WHAT CONSTITUTES A
BOOSTER SHOT ?**

**<< ummm >> I HIT
THE PATIENT ON
THE ARM THREE
TIMES...**

**I WISH ONE OF THE YOUNG'UNS ON THE
PLAYGROUND COULD ADMINISTER THE
SHOT... MIGHT NOT HURT SO MUCH.**

MY FATHER HAD AN INTERESTING THOUGHT ABOUT THE PAST TWO YEARS. HE STATED, "OF ALL THE THINGS I LEARNED IN PRIMARY SCHOOL, TRYING TO AVOID 'CUDIES' WAS THE LAST ONE I EXPECTED TO USE."

**WE HOPE YOU CONTINUE TO STAY SAFE
AND WELL.**
