

**IF I AM GOING TO PROCEED INTO MEDICINE
WHEN I GROW OLDER, I WILL NEED TO
FIGURE OUT WHERE BABIES COME FROM...**

DON'T LOOK AT ME. I'M NOT EVEN SURE WHERE VEGETABLES COME FROM!

I WONDER HOW ONE WOULD FIND OUT.

I BELIEVE THOROUGH RESEARCH IN THE SCHOOL LIBRARY, UNDER THE BIOLOGY SECTION, WOULD YIELD FRESH FACTS TO FORM A WORKING HYPOTHESIS.

**SURELY, THERE MUST BE A SIMPLER
WAY. THAT LIBRARY SPOOKS ME.**

**OH, I KNOW. WHAT DOES
THE LABEL ON THE BACK
OF YOUR SHIRT SAY?**

A hand-drawn banner with a wavy border, filled with a light gray stippled texture. The banner is tilted and contains the following text in a handwritten style:

Proudly created in
Leicester,
Leicestershire County

IT APPEARS I CAME FROM LEICESTER.

**WOW... DOCTORING IS
EASIER THAN I THOUGHT.**
